

500 Series 8in. Thin Bezel In-Ceiling Speaker

ES-500T-IC-8

**DESCRIPTION**

Merging form and function is the cornerstone for the ES-500T-IC-8. This thin bezel in-ceiling speaker blends contemporary aesthetics with incredible performance to create a system that appeals to both audiophiles and designers alike

**Designed to Perform**

This thin bezel-look will match any contemporary decor, virtually disappearing into the ceiling for a seamless look.

**SPECIFICATIONS**

Woofer:	8" Polypropylene Injection Cone, Nomex Spider & High Temp Voice Coil
Tweeter:	1" Fabric Dome, Ferrofluid Cooled, Neo-Magnet Tweeter
Power Handling	180 Watts RMS, 450 Watt Peak
Nominal Impedance:	6 Ohms
Frequency Response	45 Hz - 20 kHz
Sensitivity -2.83 V / 1 Meter:	87 dB
Crossover Frequency:	3.0 kHz
Connector Type:	Gold Plated Push Terminals
Weight:	5.8 lbs.
Grill Type:	Coated, Steel Microperf (Magnetic)
Mounting Depth:	4.2"
Finished Dimensions:	10.6" diameter, 4.5" deep

**Precision Engineering**

Combines the low frequency responsiveness of an 8" molded polypropylene woofer with a 1" fabric dome tweeter. Bringing it all together is a custom 2nd-order crossover network that ensures a precise performance each and every time.

**Adjustable Tweeter**

Ideal for vaulted ceilings and common areas, the pivoting tweeter can be aimed directly into the desired listening area for ideal performance.

Lifetime Limited Warranty

All Episode Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
