The Maestro Gives the Performance of a Lifetime

- Planar magnetic ribbon tweeters for superior imaging
- Un-pressed NCS (Natural Cell Structure) woofer material reinforced with Kevlar® that results in well damped, neutral acoustic characteristics.
- Integrated sealed backbox reduces distortion

Episode: Real Performance for the Real World. The flagship of the Episode Speaker line, the ES-900 series boast the highest performing components along with precise engineering, to offer the ultimate performance in speaker design. With the most impressive line of architectural speakers yet, the ES-900 Series will exceed the most critical audiophile's expectations.

Lifetime Warranty

Episode in-wall, in-ceiling and bookshelf Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. All warranty claims must be made through an authorized Episode dealer.
